EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Atty. William Schwarze on 5/12/2004.

The application has been amended as follows:

In claim 1, line 3, --controlled,-- has been inserted prior to "periodic" and --different--has been inserted following "second".

In claim 10, line 4, --and a controller--has been inserted following "source". In line 5, --different--has been inserted following "second".

The following is an examiner's statement of reasons for allowance: the closest prior art of record fails to clearly teach or suggest the continuous provision of one fragrance in conjunction with a controlled, periodic supply of another, different fragrance to prevent habituation of a fragrance, nor the means for providing such a method.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krisanne Jastrzab (formerly Thornton) whose telephone number is 571-272-1279. The examiner can normally be reached on Mon.-Wed. 6:30am-4:00pm and alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert J. Warden can be reached on 571-272-1281. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
